***New Business**

1. Flower planters:

- As of now, the WACC will order the flowers through Schmeising Flower Farm and the businesses will be responsible for watering.

- As an alternative option, Brandon will figure out logistics on how to water flowers, insurance options, equipment, and volunteer possibilities and report back to the group

2. Street Banners:

- Nathan has been working with C&E Signs in Lucan to determine the cost of the banners. It will be \$113 each for 72" size or \$107 each for 60" size, but unsure whether or not that includes installation.

- WHS would like to pay for three maroon "Go Rabbits" banners that will be placed down by the school.

- Both the Wabasso EDA and the City Council were interested in helping fund the street banners.

- Tina motioned that we move forward with a total of 18 banners and a max budget of \$2,100. All were in favor of the motion. Brandon will bring a more detailed proposal to the next EDA and city council meetings on March 5th and March 10th, respectively.

***Committee Updates:**

* Welcome - Jon will check on "W" pencil holders; Nathan will get a photo of what a typical welcome basket looks like to reference for future basket creations. We can also use this image for social media to update the public on WACC happenings and initiatives.

* Membership - Tina informed the group that 51 WACC members have currently paid. The WACC will wait until next meeting to assess reminders to any outstanding invoices. Jamie will also look into getting the WACC member list updated online for accuracy.

* Digital Sign - The WACC has received payments from Arvig, Jonti Craft, and WHS for their annual digital advertising plans. Jamie will reach out to Jonti Craft to see what they want to advertise for 2025. Arvig will send their new digital ad when ready. WHS digital ads will continue as usual.

* Winterfest -

* Reverse Raffle - Brandon informed that the community center will be occupied between 2:00 - 3:30 pm, so setup for the Reverse Raffle may be anytime other than that.
