Wabasso EDA Regular Meeting Wednesday, March 1, 2023 5:00 pm

The meeting was called to order at 5:00 pm with board members Pat Eichten, Karl Guetter, Amanda Guetter, Chad Altermatt and Chuck Robasse (via Zoom) present. Also present were Larry Thompson and McKenzie Fischer. (Christopher Eichten arrived at 5:30 p.m.)

The agenda was accepted as submitted.

The minutes of the February 1, 2023 meeting were approved on a motion by Robasse, second by Guetter.

Eichten – yes; KGuetter; AGuetter – yes; Altermatt – yes; Robasse – yes.

Daycare/Housing: A meeting has been scheduled with the City of Franklin for March 22, 2023 to discuss the housing project and day care center. Members are to forward questions to Mr. Thompson so he can pass them along to the Franklin City Clerk.

Park Grant – The board reviewed information submitted by Mr. Thompson. Ms. Fischer indicated that it was too late to make the grant deadlines. It was the consensus of the board that Ms. Fischer submit a budget for the preparation of a grant and the matter be tabled until the next meeting.

Strategic Plan Update:

- It is anticipated the draft zoning ordinance and land use plan will be presented at the next EDA
 meeting for consideration. The City Council extended the moratorium for 120 days. Information
 was sent to Jonti-Craft and Farmers Coop.
- Business Spotlights March Bulk Seed Systems. The EDA commended Ms. Fischer for the work on the Spotlights, noting they were very informative. Future spotlights - April – Mid County Ag; May – Roadhouse.

Christopher Eichten – Envy Us Salon – Mr. Eichten indicated his wife needed to relocate her business due to issues with the current building, and he was not having success locating a suitable building. He has been in discussion with Mr. Thompson and Matt Novak regarding possibly relocating the business to the vacant lot owned by the EDA next to his residence on North Street as a home occupation. Discussion followed regarding if such a use would be allowed under the covenants. It was noted the covenants were not clear if this would be allowed, and that any amendment would require all of the owners to agree. Regardless, the covenants are enforced by the owners of the property, not the EDA or City. Mr. Eichten will contact Mr. Novak regarding the covenants.

Future Daycare Site – Goblirsch Property – The EDA discussed the status of the Goblirsch property and how it could move forward. Mr. Thompson was directed to contact an environmental engineer to discuss what steps needed to be taken for an environmental review, and discuss possible options with the owner. The EDA requested the RADC prepare an update of available brownfield grants.

Mayor Atkins called the meeting to order with Council members Roger Baumann, Jeff Olson, Amanda Guetter and Chad Altermatt present.

Also present were Clerk Treasurer Larry Thompson, City Attorney Matt Novak, Public Works Director Jim Jenniges and EDA President Pat Eichten

It was the consensus of the council to approve the agenda as submitted.

EDA Update – Mr. Eichten presented the EDA Update:

- 1. EDA was planning to visit Franklin, MN to tour their daycare center and housing project.
- 2. The planning committee met and is currently drafting a zoning ordinance and land use plan.
- 3. Business spotlights continue to be published.
- 4. All RLF loans are current.

Clerk/Treasurer/Administrator – Motion by Olson, second by Baumann to approve the Clerk/Treas./Admin vacation request March 10-20, 2023. Atkins – yes; Guetter – yes; Altermatt – yes; Baumann – yes; Olson – yes.

Street Report – Motion by Olson, second by Guetter to approve the purchase of a grappling bucket from Kibble Equipment for \$8,500.

Atkins – yes; Guetter – yes; Altermatt – yes; Baumann – yes; Olson – yes.

Sewer and Water Report:

- Water meters Mr. Thompson informed the council that approximately 300 of the 350 meters
 had been installed. There were a few glitches to work out with the data transmission. Mr.
 Thompson noted that during the utility account change over from the old meters to the new a
 number of flow numbers were not accurate and had to manually adjust some of the accounts.
- 2. Water quality Mr. Olson informed the council that the city engineer had sampled the media and discovered that sand was being pumped into the media from holes in the well casings and screens. The wells are 50+ years old and at the end of their useful life. Therefore, it was the engineer's recommendation that two new wells should be included with the water grant application. The wells would be deeper to reach a second aquifer with better quality water. Mr. Olson added that the filter media would need to be replaced before the city would see a marked improvement in the water quality. It was his recommendation that the City wait until the legislature passes a bonding bill and the status of the city grant application is known. If the city does not receive the grant the council should plan to finance and make the improvements with utility funds. Mr. Jenniges added that he would continue to hammer flush services and flush hydrants. It was the consensus of the council that they proceed with the recommended actions.

- 3. **Sanitary Sewer Rehab Project** The city was working with owners to obtain the necessary easements.
- 4. **Garbage Collection** Mr. Thompson noted that the City and Southwest Sanitation had audited the individual utility accounts and discovered there were several discrepancies between the container size and what was being billed. A letter was going to be mailed this week informing customers of the discrepancies and the level of service they wished to have.

Parks – No report at this time.

Consent Agenda - Motion by Baumann, second by Olson to approve the consent agenda as follows:

- 1. Approve Council Minutes January 9, 2023 & January 30, 2023 Special
- 2. Adopt Resolution No. 3-2023 Amending Ambulance Rates Effective January 1, 2023.
- 3. Adopt Resolution No. 4-2023 Establishing the City Council as the Local Board of Appeal Atkins yes; Guetter yes; Altermatt yes; Baumann yes; Olson yes.

Golf Cart/ATV Ordinance – After much consideration and deliberation, it was the consensus of the Council that the current ordinance not be changed, and no action would be taken at this time.

Community Center Improvements – Mr. Olson and Mr. Thompson were working with the subcontractors to schedule the bathroom improvements that would fit into the subcontractors' schedules and scheduled events.

Library Land Lease – Mr. Thompson submitted a copy of the current land lease, noting that it was the previous Council's desire to have the lease bid this year. It was the consensus of the Council that members review the current list and the item be placed on the next agenda for consideration.

Special Meeting – Motion by Guetter, second by Olson to set a special meeting for Monday, January 20, 2023 to consider extending the Hwy 68 Corridor building moratorium.

Atkins – yes; Guetter – yes; Altermatt – yes; Baumann – yes; Olson – yes.

Library Board Appointment – Motion by Olson, Second by Bauman to appoint Barb Wendt to the Library Board.

Atkins – yes; Guetter – yes; Altermatt – yes; Baumann – yes; Olson – yes.

Ambulance Service – Wabasso Rehabilitation and Wellness Center – Mr. Novak reported that due to the increase in the number of Ambulance runs to the Wabasso Rehabilitation and Wellness Center and current Ambulance staffing level, he was planning to meet with the Ambulance Director, the Redwood County Sheriff, Rehab and Wellness Center staff and other stakeholders to discuss options for transporting residents. It was the consensus of the Council that the meeting was a good plan.

Employee Review - Mayor Atkins adjourned the meeting to a closed session to conduct an employee review.

Employee Termination -Mayor Atkins reopened the regular council meeting. Motion By Baumann, second by Guetter to terminate Kyle Salfer as a city employee.

Atkins – yes; Guetter – yes; Altermatt – yes; Baumann – yes; Olson – yes.

The Council directed Mr. Thompson to advertise for the position.

Bills - Mayor Atkins asked why the repairs to the city pickup trucks were so high. Mr. Olson clarified that one of the bills for approximately \$4,990 was miscoded and should have been listed for repairs to the snow plow. Motion by Olson, second by Baumann to approve the bills as follows:

TOTAL CHECKS

Larry J Thompson, City Clerk

City of Wabasso City Council Monday, February 20, 2023 5:00 pm

The meeting opened the meeting with the recitation of the pledge of Allegiance.

Mayor Atkins called the meeting to order with Council members Chad Altermatt, Amanda Guetter and Roger Baumann present.

Also present was City Clerk/Treasurer/Administrator Larry Thompson, City Attorney Matt Novak, Dan Fischer, Farmers Coop CEO Scott Walker, and Jonti Craft COO Nick Schwarz.

The purpose of the meeting was to consider adopting an ordinance extending the interim ordinance relating to commercial development within the City of Wabasso.

Mr. Novak presented an overview of the ordinance, noting the city currently has a moratorium on commercial development in various parts of the city so that the city can study future land use and possibly adopt land use controls. The proposed ordinance would extend the current moratorium for 120 days so the city can complete its work. Questions were raised regarding the impact of the Farmers Coop C Store and the former lumberyard building owned by Jonti Craft. It was noted that the proposed land use plan should have minimal impact. Regardless the city would need to hold a public hearing to adopt the regulations. Mr. Thompson indicated he would send the proposed land use maps to Mr. Schwarz and Mr. Walker. Motion by Guetter, second by Altermatt to adopt Ordinance No. 251B - An Extension Of the Interim Ordinance Related to Commercial Development in the City of Wabasso.

Atkins – yes; Altermatt – yes; Guetter – yes; Baumann – yes

Motion by Guetter, second by Baumann to adjourn at 5:20 p.m. Atkins – yes; Altermatt – yes; Guetter – yes; Baumann – yes; Olson - yes
