* Discuss Planter storage and plans for 2024

- Discussed questions from Suzanne about planters. We agreed she did a great job at choosing the plants and flowers. We liked the variety and are happy with the arrangements.

-Talked about storing it in a few different areas and fixing a couple boxes for next year.

-Talked about needing a few more for next year as Serenity Suites and Jonti-Craft had reached out about wanting planters.

- Bethany Luthern had sent a very generous donation of \$2,500 to the commercial club and had commented on how nice the flower boxes were. We discussed using the donation for additional planter boxes for the businesses who reached out. As well as the possibility of banners on the light poles - the EDI and city have been discussing this, so we will follow up as a possibility in the future to continue to create a nice welcoming touch to our community.
