***New Business**

* Planter storage / additions / colors / new locations / watering

- We will keep them out as long as possible, but cut down to watering twice a week.
- Storage location is yet to be determined. Brandon was going to look into it as well.
- We like the variety of flowers and plan to keep that going forward as Schmiesings need to know for ordering purposes for next year.
- There were more businesses who wanted them for next year. A spreadsheet was started and anyone who reaches out will be put on the spreadsheet. Watering flowers off of mainstreet was discussed, but no plans were made as of now.

*Winterfest - Updates / Can Koozies

-FRIDAY DECEMBER 1st. Planning is underway, a letter will be sent out in the next few weeks to the businesses.

-Can Koozies were discussed to advertise for Winterfest/Last One Standing Reverse Raffle, Jamie was willing to design the logo. No concrete dates are on them so we can use them for continuous advertising each year - (Winterfest first Friday in December, Reverse Raffle second Friday in February). We are hoping to have them for the parade, but the short turnaround might affect that. Since we aren't using concrete dates and they can be used year after year the decision was made to order them even if they won't be here in time for homecoming.

*Reverse Raffle - **FRIDAY FEBRUARY 9th**

***Other -**

- Next meeting we will finalize storage location and list of businesses wanting planters
